Raytheon and L&T S

Larsen & Toubro Limited (L&T) is a USD 5 billion, technology, engineering and construction company with global operations. It is one of the largest and most respected companies in India's private sector. It has a long relationship with the Indian defense establishment, and is involved in several critical programs in this sector with a distinguished record of achievements. A strong, customer-focussed approach and a constant quest for top-class quality & technology have enabled L&T to attain and sustain leadership in its major lines of business across seven decades. L&T also features in the Forbes list of Asia's Fab 50 companies.
