gment Revenue comprises Sales & Operational Income allocable specifically to a segment. Unallocable expenditure mainly includes expenses incurred on common services provided to segments and other corporate expenses. Unallocable income primarily includes interest income, dividends and profit on sale of investments. Corporate assets mainly comprise investments.

4 In the Engineering & Construction segment, margins do not accrue uniformly during the year. Hence the operational / financial performance of aforesaid segment can be discerned only on the basis of figures for the full year.
