

L&T Press Release

Issued by Corporate Communications Department

The agreement between Rolls-Royce and L&T follows the recent bilateral Civil Nuclear Cooperation Declaration by the Indian and UK Governments, which enables UK and Indian industries to engage in civil nuclear commerce.

Notes to editors:

Rolls-Royce

1. Rolls-Royce, a world-leading provider of power systems and services for use on land, at sea and in the air, has established a strong position in global markets - civil aerospace, defence aerospace, marine and energy.
2. As a result of this strategy, Rolls-Royce today has a broad customer base comprising more than 600 airlines, 4,000 corporate and utility aircraft and helicopter operators, 160 armed forces, more than 2,000 marine customers, including 70 navies, and energy customers in nearly 120 countries, with an installed base of 54,000 gas turbines.
3. Rolls-Royce employs over 38,000 skilled people in offices, manufacturing and service facilities in 50 countries. The Group has a strong commitment to apprentice and graduate recruitment, and to further developing employee skills.
4. Annual underlying revenues were £10.1 billion in 2009, of which about half came from services revenues. The firm and announced order book stood at £58.3 billion at 31 December 2009, providing visibility of future levels of activity.
