

The Power Transmission & Distribution (PT&D) vertical of Larsen & Toubro (L&T) has won a domestic order to build a grid-connected 185MW Solar PV Plant along with a Battery Energy Storage System (BESS) having multitudes of MWh capacity .

The Solar PV plant at Kajra in Lakshisarai district will be a key element in Bihar's plans to harness renewable energy for sustainable energy solutions towards combating climate change and meeting demand growth.

The BESS, with a capacity of 254MWh will enable storing solar energy during low-demand period and discharging when

Background:

Larsen & Toubro is a USD 27 billion Indian multinational enterprise engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over eight decades.
